WHY CHOOSE XPRESSLEGAL?

XpressLegal is a modern law firm specializing in seamlessly integrating law and business. We prioritize legal solutions that serve business objectives, not the other way around. Our team of experienced lawyers is dedicated, professional, and attentive, ensuring each case receives the focused attention it deserves. We work closely with our clients to achieve their business goals efficiently.

ABOUT US

XpressLegal is a registered partnership firm providing comprehensive legal solutions to corporates, individuals, banks, NBFCs, government bodies, and institutions. Our team comprises leading lawyers and professionals from various fields, offering integrated solutions for complex legal challenges.

We work closely with our clients, providing personalized attention to understand their legal issues and propose corrective and preventive measures within the legal framework. Before offering any advice, we conduct a thorough legal risk analysis, investigate the case in-depth, and highlight potential pitfalls.

We prioritize solutions through conciliation, mediation, negotiation, and arbitration, resorting to litigation only as a last measure.

Team XL stays updated with new laws, regulations, proposed bills, ordinances, treaties, and official notifications. Our research team closely monitors the latest judgments from the Supreme Court, High Courts, and other tribunals, ensuring our clients receive the most current and effective legal solutions.

BANKING & FINANCE

We specialize in delivering comprehensive legal and paralegal services to banks and NBFCs. Our expertise includes property due diligence, drafting deeds and documents, handling suits and complaints under the Negotiable Instruments Act, and pursuing recoveries under laws such as SARFAESI, IBC, and other relevant legislation.

REAL ESTATE

We have a dedicated team of advocates specialized in real estate laws, transfer of property, deeds and documents, registration, sale, mortgage, gift, will, succession, partition, revenue records, mutation, city survey, 7/12, property card, sub-division, etc. We have an independent team of advocates to deal with real estate laws that includes documentation, liaison and dispute resolution at all level of courts, right from Talati, Tehsil, Revenue upto the High Court.

LAND LAWS

Our lawyers are experts in local land laws, offering comprehensive assistance and advice on land acquisition, documentation, registration, and document scrutiny. We conduct thorough searches and provide title reports. Team XL is equipped to represent clients at all levels, from the Tahsildar's office and Revenue Court to the Revenue Minister and High Court.

Our Practices

ALL CIVIL & CRIMINAL LAWS

We handle all civil and criminal disputes and litigations across all court levels. Our firm has developed specialized expertise in addressing white-collar crimes.

LAWS GOVERNING TRUSTS, SOCIETIES, AND NGOS

Team XL is equipped to handle all legal matters related to NGOs, whether registered under the Societies Registration Act, the Bombay Public Trust Act, or Section 8 of the Companies Act 2013. Our expertise includes NGO registration, drafting management schemes, and representing clients before relevant quasi-judicial authorities in case of litigation.

PERSONAL LAW (MATRIMONIAL & OTHERS)

We offer extensive expertise in matrimonial laws across all major religions, including Hindu, Muslim, Parsi, and Christian personal laws. Our services encompass legal assistance in matters such as marriage, separation, divorce, alimony, maintenance, adoption, custody, partition, property disputes, and succession.

ADRs (ALTERNATIVE DISPUTE RESOLUTIONS)

Our dedicated team specializes in ADR, advocating for the resolution of commercial disputes through alternative means. We represent clients before arbitrators and handle cases in High Courts, particularly under Sections 9 and 11(2) of the Arbitration and Conciliation Act, 1996. We strongly believe in utilizing ADR tools to resolve disputes efficiently before resorting to litigation.

Our Practices

IPRs (INTELLECTUAL PROPERTY RIGHTS)

We have a dedicated team to deal with all assignments right from registration up to litigations concerning intellectual property rights at all levels of courts. On a need basis, we also seek external help and assistance from a team of investigators on complaints of infringement of copyright acts and trade-specific investigations as and when required by our clients.

EMPLOYMENT LAWS

We specialize in handling labor and industrial disputes, primarily representing employers. Our services include comprehensive advice on compliance with employment laws across all employee levels.

COMPETITION LAWS

We bring extensive experience in matters under the Competition Act, 2002, representing clients before the Competition Commission of India. Our team also provides strategic guidance to help clients navigate and avoid legal pitfalls. Our Managing Partner holds a Ph.D. in Competition Law, enhancing our capability to offer specialized expertise in this field.

PRIVATE EQUITY

We offer comprehensive services to private equity funds, including fund formation, structuring, and advice on primary and secondary investments. We assist clients with exits and provide counsel on enforcing contractual rights in contentious settlements. Our lawyers possess a deep understanding of India's regulatory landscape and insights into the behavior of Indian promoters and counterparties across various industry sectors.

CORPORATE

Our corporate lawyers excel at addressing complex issues, offering strategic insights, and structuring transactions to minimize execution risks. We have extensive experience in handling intricate, multi-jurisdictional mergers and acquisitions, both inbound and outbound, as well as private equity transactions. Our deep understanding of corporate law encompasses regulatory matters involving IPOs, SEBI, MCA, ROC, RBI, and other key regulatory bodies.

DISPUTES

Our dispute resolution lawyers are skilled in collaborating with various specialist teams within the firm to provide precise legal representation in commercial disputes, regulatory matters, and criminal proceedings. We focus on aligning our litigation strategy with the commercial interests of our clients.

MERGERS & ACQUISITIONS

Our proven track record, expertise, and deep local knowledge of the Mergers & Acquisitions market enable us to deliver cost-effective, deal-focused, and high-quality legal advice. Our experience with multi-jurisdictional transactions allows us to anticipate potential issues and risks, providing tailored, insightful solutions for each deal.

RESTRUCTURING

We leverage our cross-practice expertise to identify and address key issues in restructuring transactions across sectors, catering to the concerns of all stakeholders. We represent lenders and investors on matters such as exit strategies, debt refinancing, restructuring, distressed debt trading, and investment in distressed assets.

TAX

Our Tax team advises clients on a broad range of issues, including structuring foreign investments, and joint ventures, and assessing tax implications on business transfers. We also provide guidance on import, export, and supply chain tax matters within India. Our expertise includes collaborating with the government on strategies related to central and state taxes, covering all direct and indirect taxes, including GST.
